NOTICE OF CONSENT TO DISMISSAL

On November 7, 2011, pursuant to Fed. R. Civ. P. 41(a), relators filed a notice of voluntary dismissal of this civil action filed pursuant to the *qui tam* provisions of the False Claims Act, 31 U.S.C. § 3730(b) without prejudice as to the United States. Section 3730(b)(1) of the Act provides, however, that “[t]he action may be dismissed only if the court and the Attorney General give written consent to the dismissal and their reasons for consenting.”

The United States investigated the allegations contained in the relators’ complaint (and amendments thereto) and based upon the results of that investigation, the United States notified the Court that it declined to intervene in this litigation. Given the results of the government’s investigation and the government’s decision not to intervene, the United States has no objection to the dismissal of this action so long as the dismissal is without prejudice to the United States.

Dated: November 8, 2011

Respectfully submitted,

Tony West
Assistant Attorney General
Civil Division

Neil H. MacBride
United States Attorney
